

## Highfurlong School 'Inspire, Challenge, Believe' PE Premium Report 2021-22

### **PE and Sports Premium 2021-22**

Our Move curriculum coupled with our weekly move day is still proving to be a success in many areas for both the pupils and school. Evidence shows that pupils are making good progress in their physical development, as well as promoting the amount of time a week pupils and staff are physically active.

Our remote option of PE has been maintained for the small cohort of pupils who are accessing education remotely. In the Key Stage 4 & 5 classes in school this has been through both live lessons and independent tasks to be completed at home.

Physical Education, School Sport and Physical Activity (PESSPA) has been reintroduced to the full. We have funded sports coaches to support primary groups with accessing both curricular and extracurricular sporting opportunities, along with new equipment and sporting opportunities for pupils.

Please see the One Stop Shop (1SS) planning document for the PE and Sports Premium for the year 2021-2022.

### **Sports Premium**

PE and Sports Premium was introduced in March 2013 to improve the provision of physical activity/education in Primary Schools across England. The £320 million per year is funded jointly by the Department for Education, Health and Culture, Media and Sport (DfE, DH, DCMS). This funding is allocated directly to primary school pupils and is ring fenced by a specific set of boundaries regulating what this money can be spent on. This money had only been guaranteed for the school year of 2020/21. The Government announced on 17.6.21 that the PE and Sports Premium continue for the primary pupils for the academic year 2021/22. A detailed 1SS document has been created to highlight the areas of need for targeted intervention of the funding. This document has been based on a predicted allocated funding model. Based on the current climate and the one year extension to Sports Premium it is not expected to continue into the financial year of 2022-23. When the announcement is made all relevant options will be considered by the PE and SLT team at Highfurlong School.

### **Our allocation**

The DfE have an understanding that this money is vital in supporting the health and wellbeing of England's primary school students through PESSPA therefore this figure is similar to previous years the funding has been received. Highfurlong School's allocation for the Financial Year

## Highfurlong School ‘Inspire, Challenge, Believe’ PE Premium Report 2021-22

2021-22 was **£16,316** with a carry forward of £10117 from 2020-21. Over the last three years Highfurlong’s PE Team have ring fenced this sports premium ensuring that it is meeting government requirements, as well as the schools’ strategic plan to promote our pupils’ physical development. For more information on the areas we highlighted as a priority please see on One Stop Ssop document for a breakdown and budgeting for the funding. (see 20/21 One Stop Shop).

### Key achievements/improvements

Key achievements to date: 16.6.21	Areas of further improvement and baseline evidence of need
<p>The reintroduction of the full Move day curriculum in a post covid world. The day is something both pupils and staff find extremely valuable and enjoyable. It encourages physical activity along with physical skill development, retention and a passion to participate in physical activity and sport, both in and out of school. This has included providing pupils with support with their mental health and wellbeing.</p> <p>KS4 also supported the mental health and wellbeing of the school by incorporating mindfulness and physical activity in a planned wellbeing week.</p> <p>Resilience - the staff and pupils' resilience has been tested over this academic year, especially in regards to getting active and continuing their physical education during lockdowns or periods of isolation. With this in mind more able classes have been enjoying a varied move curriculum. Through teachers initiatives and drive to ensure all pupils can access PE, we have shown the continuation of a fun filled PESSPA programme.</p>	<p>Seesaw Evidence - As a move day is so busy often seesaw evidence is not at the forefront of teachers minds. As an immediate area of improvement we need to invigorate both staff and pupils to ensure that there is a good range of physical development evidence on Seesaw, that is also moderated and assessed by the staff teaching this subject.</p> <p>Continued data gathering. With one data capture this year we have highlighted areas for improvement in the curriculum improvement planning meetings. We need to continue with data capture to keep this current and relevant to the schools PESSPA needs.</p> <p>School CPD Needs - School staff have highlighted areas that they need support planning and delivering. A focus needs to be made on staff’s CPD and performance development for the Move curriculum. This will be supported through the implementation of the Move curriculum map.</p> <p>A broad range of sporting experiences for our pupils, as well as</p>

## Highfurlong School ‘Inspire, Challenge, Believe’ PE Premium Report 2021-22

We have had one successful data capture this year for Physical Education, both in our academic and sensory assessment pathways on BSquared. This has begun to highlight where pupils are, where clear progress is being made, and possible areas we need to focus on for the rest of the year.

Move curriculum file - the Move curriculum file is currently a working folder, however staff have found it invaluable when planning and delivering PESSPA sessions across the school.

opportunities for competitive sports.

### Meeting national curriculum requirements for swimming and water safety

What percentage of your current year 6 cohort swim confidently, confidently and proficient over a distance of at least 25 metres?	0%
What percentage of your current year 6 cohort use a range of strokes effectively (for example, front stroke, backstroke and breaststroke)?	0%
What percentage of your current year 6 cohort perform safe self rescue in different water based situations.	0%
Schools can choose to use the primary PE and sports premium to provide additional provision for swimming but this must be for activities over and above the national curriculum requirements. Has PE and sports premium been used in this way?	No

## Highfurlong School ‘Inspire, Challenge, Believe’ PE Premium Report 2021-22

In the academic year of 2021-22 we have 6 pupils in year 6, 3 of these pupils meet the criteria for National Curriculum swimming. When looking at the above percentages it is important to keep in mind the needs of these learners, and the additional support required. However, those learners in KS3 who have been accessing swimming for a number of years through Highfurlong have made progress in the above areas listed.

### Action plan and budget tracking

<b>Academic year:</b> 2021-2022		<b>Total fund allocated:</b> £16,316 (+ c/f £10,117)		<b>Date updated:</b> 11.02.2022	
<b>Key indicator 1:</b> The engagement of all pupils in regular physical activity - Chief medical officers recommend that primary school pupils undertake at least 30 minutes of physical activity a day.					Percentage of total allocation
<b>Intent</b>	<b>Implementation</b>	<b>Funding spent</b>	<b>Impact</b>		<b>(approx)%</b>
To create a PE curriculum, and resource/ equipment portfolio so pupils no matter their physical ability or needs can access an Outstanding and varied range of PESSPA sessions and sports.	Resource/ Equipment upkeep/ replacements and purchase.	£1,963.98	A number of resources have needed to be replaced due to overuse and general wear and tear. All equipment has been reviewed and audited by the PE lead and any equipment damaged in lessons is passed over to the PE Lead. On top of this new equipment relevant to the engagement and PESSPA provision has been bought to enrich the curriculum and engage pupils in regular physical activity.		12%
<b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement.					Percentage of total allocation

YST Membership empowers all schools to achieve the mission of creating a brighter future for young people. It is vital our network of schools is at the heart of everything we do. Highfurlong are part of a committed and passionate movement towards a more active generation, helping to provide happy, healthy and successful young people, no matter their need. We receive YST Updates programme access, exclusive offers and discounts, up to date releases and news, and early award entries.	YST Membership	£210.00	YST membership has promoted staff and subject leaders' confidence in new sports, general PE delivery, PE management, and many other areas. As well as providing great CPD opportunities, the regular updates and newsletters keep the PE lead up to date with all covid restrictions related to PESSPA, any regulation changes, and what is up and coming throughout the year. They have provided some fantastic resources that we have invested in to support our PE delivery, and cannot wait for these to arrive. It has also allowed less confident staff to enhance their own learning. Thus has influenced the quality of teaching and learning in PESSPA sessions.	1.28%
<b>Key indicator 3:</b> Increased confidence, knowledge and skills of all staff in teaching PE and sport.				Percentage of total allocation
Intent	Implementation	Funding spent	Impact	(approx)%
To increase participation rates in PESSPA sessions, including sports days and competitions. To support the ‘Move Day’, and ensure the whole school approach to PESSPA delivery	BST Sport SLA	£8287.50	The impact of this provision has been extraordinary. This has provided pupils with support from sporting professionals, trained by the council in PESSPA sessions. We have had the added benefit of receiving support from	50.79%
